## WHAT'S INCLUDED...?

---

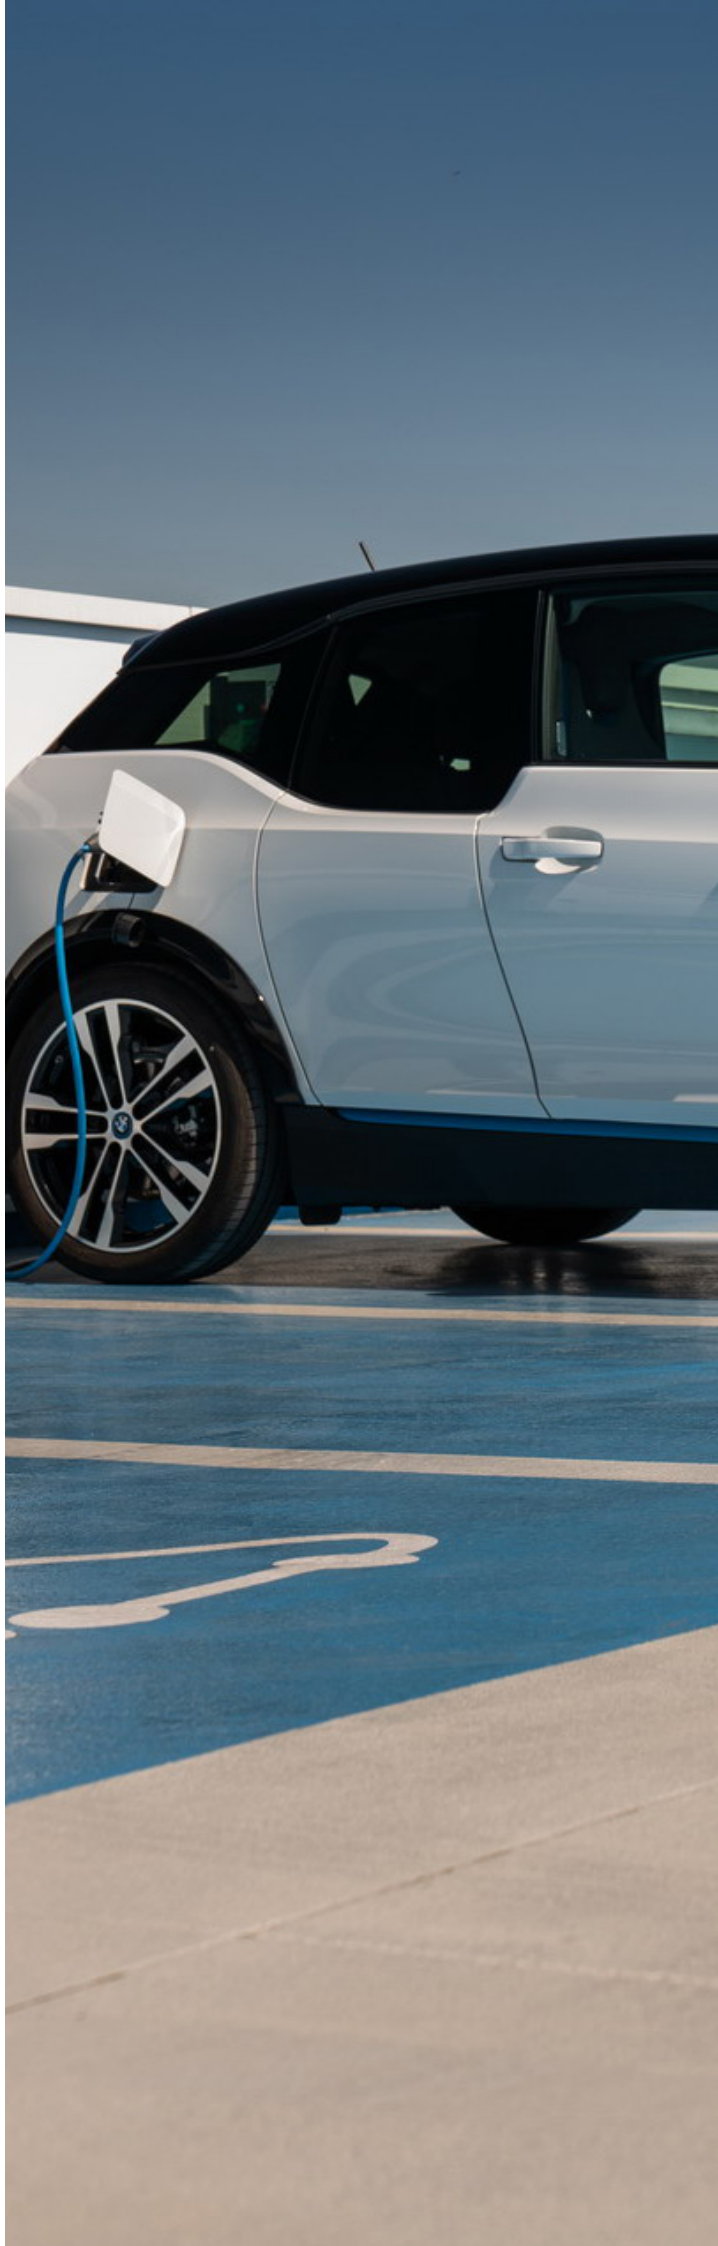

24 Month Warranty

2 Years Servicing

2 Years MOT Testing

2 Years AA  
Roadside Recovery

## 24 MONTH WARRANTY

### Gold Standard Cover

Comprehensive electric vehicle policy that covers everything you need. In the event of a claim, our dedicated team will help with any issues to get you back on the road in your EV as efficiently as possible. Battery cover is longer from manufacturers for complete peace of mind. From electric drive motors to wiper motors, steering to suspension, even air conditioning units and brakes.\*

\*T & C's on a full list available on request.

## 2 YEARS SERVICING

**Inflation proof your motoring costs with cost savings on future maintenance.**

Just drive into your closest JustEVs dealer or Hevra affiliated garage for routine servicing to Manufacturer standards. Multi point checks, fluid changes along with filters as required.

## 2 YEARS MOT

### VIP your EV

Just book in for your MOT when due and feel like a VIP. Two MOT tests at your JustEVs dealership or Hevra Garage, these are included in your payment plan. All you need to do is book it in, and let the garage do the rest.

## AA ROADSIDE RECOVERY

### Electric Car Breakdown Cover

*“The UK’s number 1 breakdown provider, with electric vehicles and hybrids covered as standard.”*

### Power to electric drivers

Synonymous with motoring, the AA roadside cover will give you 2 years recovery, even if you use all your range and run out of battery. That should help if you feel some of that mysterious range anxiety.
