

Our Guarantee

Vehicle	Reg	Mileage	Date
---------	-----	---------	------

3 months & or 2000 miles whichever comes sooner.

Engine and gearbox: This is an "in house" and as such any faults related to the engine or gearbox are to be brought back to us for inspection and repair.

Terms and conditions

- The dealer (FTL Commercials Ltd) is entitled to choose whether to repair or replace a component covered by this guarantee. Components may be second hand, recondition, a factored part or a manufacturers own part. This choice of the part is down to the discretion of the dealer.
- The guarantee will be deemed as invalid if the vehicle has been used for rallies, pace making, reliability trials, speed testing, track days or for gain and hire.
- Repair work or claims for repair work carried have to be agreed by the dealer. Any work carried out workout prior agreement in writing will in validate the guarantee.
- The owner of the vehicle is responsible for routinely checking oil and water levels and items such as tyre pressures and depth. Routing serviceable items such as spark plugs, oil, oil filters, air filters are the responsibility of the owner.
- Routine servicing of the vehicle should be carried with within 14 days and 500 mile of the manufacturers specified periods in order to keep this guarantee valid.

Items covered.

Engine: Covered for internal component / mechanical failure. Head gaskets are covered.

Turbo: Covered against failures

Gearbox:

Gearboxes and clutches are covered against internal failure. Worn clutches will be covered if the vehicle is below 8 years old and less than 80,000 miles.

Flywheels:

These are covered if they fail. They are not covered if they are worn or noisy as this is general wear and tear. If a flywheel is found to be worn, then the vehicle's owner will be responsible for the costs of repairs.

Items covered up to 28 days

Electrical faults, Engine management and ECU failures, ABS pumps, Wheel speed sensors, Sensors (Pressure, MAF, O2, Crank, Cam& DPF), Gear linkage, Gear cable, Coil packs, Oil cooler EGR valves, Alternator, Starter motor, Oil and water leaks.
