

INITIAL DISCLOSURE DOCUMENT

Who are we?

Premier Sports Solutions Limited are authorised and regulated by the Financial Conduct Authority ("FCA") under Firm Reference Number ("FRN") 685822. We are a credit broker, not a lender. For more information, please visit the FCA website at: <https://register.fca.org.uk>.

Please note that business customers may not be protected under the Consumer Credit Act 1974 or FCA rules.

Our address is: 366-380 Holdenhurst Road, Bournemouth, Dorset, BH8 8BJ. Our company registration number is 05504926.

What can we do to help finance your vehicle?

We can introduce you (whether direct or through a specialist credit broker) to a number of finance companies ("funders") who may be able to finance your transaction. We work with the following brokers/funders – DSG Financial Services Ltd, JBL Capital Limited and Mann Island Finance Limited. There are other funders to which we cannot introduce you which may also be able to offer you finance.

We will provide you with information about the finance products based on your needs and circumstances. Finance is arranged subject to status and terms and conditions. We cannot guarantee that we will be able to secure finance for you.

Can we give independent financial advice?

We are not independent financial advisers and so are unable to provide you with independent financial advice.

Do you have to pay for our service or do we receive any commission?

You don't have to pay us for our service but a funder or broker we work with may pay us a commission for introducing you to them. Different funders/brokers may pay us different amounts, but it will typically be based on a fixed percentage of the amount borrowed. This percentage may vary according to different factors, for example: the amount of credit; the age or type of vehicle; the type of finance product; or the funder's assessment of the risk of lending. For your reassurance, we are not able to change the interest rate you pay in order to receive more commission from a particular broker or funder. Although rates and commissions may vary between our finance partners, our aim is always to secure finance from them which is appropriate to your circumstances. If we are successful in obtaining an offer of finance for you and you would like to know the amount (or likely amount) of commission we receive and how that amount has been calculated, please contact us using the details above.

How will we use your information?

We will use your information to obtain quotes from funders and brokers to process finance applications through them and we and/or they may also conduct a search of your record held with one or more credit reference agencies.
