MOTORHOMES, WHICH CAN REACH MORE PLACES.

SMART AUTOMOTIVE STYLING AND COMPACT DIMENSIONS YET GENEROUS
LIVING SPACES, WITH AN UNBEATABLE COMBINATION OF STYLE,
PRACTICALITY AND COMFORT, ALL-YEAR ROUND.

Go anywhere!

The image shows the interior of a modern motorhome. On the left, there is a kitchen area with a black countertop and a built-in oven. A yellow and white striped towel hangs on the side. In the center, a black rectangular dining table is set with two glasses of orange juice, a plate of fruit (lemons and pears), and a small notebook. The table is surrounded by white upholstered seating. To the right, the driver's area features two white leather seats and a dashboard with various controls. Large windows and a skylight provide ample natural light and a view of a scenic lake and mountains. The overall design is clean, bright, and functional.

MOTORHOMES

ADRIA

79

All motorhomes feature a **double floor**, providing a single level floor throughout and 13 cm underfloor space for integrated utilities, insulation and extra storage. Impact resistant **Freshwater tanks** are optimally placed for vehicle balance and handling, formed in a single piece for durable leak-free performance and with easy access via the double floor.

The **Central Service Area** enables easy access and management of utility connections at a campsite.

Climate-control

Our products offer optimal thermal performance with advanced insulation and a precision-engineered airflow system. Rigorous climate chamber testing ensures a **comfortable interior** even at low external temperatures, with fully functional water systems.

Optimal heating distribution to all living space. In cooler times choose **Truma** air heating or **Alde** liquid central heating system (range dependent). In summer comfort is assured with air-conditioning available.
