**This motorhome is built as standard on the 6 speed manual Fiat Ducato 140Bhp, with an optional upgrade to the 8 speed automatic gearbox.**

The Solaris campervan boasts an iconic design featuring bunkbeds, a large double bed, fully equipped kitchen and full washroom. Ideal for families or multiple adventurers this award-winning motorhome makes a small motorhome feel open and spacious.

The clever design of the Solaris gives you plenty of storage and flexible living spaces without compromising on features. The kitchen boasts a large full height fridge/freezer, microwave, hob, oven/grill and large workspace.

# Award-winning signature layout

The award winning Solaris XL offers a highly flexible design for a family of 4. With long bunk beds in the rear (up to 6ft 8) and a full double bed in the front. The clever lounge area features travelling seats that easily convert to sofas with the cab seats revolving round to face the rear.

The kitchen in the Solaris is one of its many signature points with huge work surfaces, a large sink with built in drainer and a full cooker.

Available with the VOLT PACK option, adding a 160Ahr lithium battery combined with a 3kW inverter and additional solar panel for use anywhere off grid mains electrical system. With the VOLT PACK option cooking is via an induction hob and microwave.
