**This motorhome is built as standard on the 6 speed manual Fiat Ducato 140Bhp, with an optional upgrade to the 8 speed automatic gearbox.**

The Constellation is a spacious 2 berth campervan with a large open lounge, fully equipped rear kitchen and integrated washroom. The clever front lounge design is built around a full length sofa which converts into 2 comfortable single beds or 1 king size double.

Designed to be bright and airy with lots of windows and skylights and a large open lounge space ideal for entertaining or relaxing. Available in a standard size (5.98m) or XL (6.36m) and the option of a 3 or 4 seat belt layout.

# Fully equipped & adventure ready

The Constellation is equipped with a large rear kitchen featuring a full height 152L compressor fridge, oven/grill, hob and microwave. Fitted with a solar panel, Truma Combi D4 heating system & fully winterised system you're ready for every adventure.

The living area features a clever bed system that converts into either 2 singles or a king size bed 6ft 4 in length. For daytime use the Constellation has a 6ft 4 sofa ideal for lounging around or entertaining. Built with plenty of storage, including a large wardrobe and fully integrated washroom.

Get more with a Wildax motorhome including a fitted solar panel, lithium battery, fully winterised and insulation design and Truma Combi heating as standard. Choose from 2 sizes with the XL layout featuring additional wardrobe space and larger kitchen workspace.
