OUTLANDER PHEV

Returning to the UK summer 2026.

NEW FROM THE GROUND UP

The **best-selling plug-in hybrid** is back for 2026. Redesigned from the ground up with a whole host of new features and specs but still quintessentially Mitsubishi with renowned engineering, reliability and quality.

295 BHP 2.4L ENGINE

53L FUEL TANK

45-50 MILE EV RANGE (TO BE CONFIRMED)

HIGH SPECS AS STANDARDS

The new Outlander is packed with new and practical features including **Super All-Wheel-Control on all trim levels**. Take handling and stability to new heights with Mitsubishi's **advanced 4 wheel drive** system featuring **7 unique driving modes**.

7 SEAT OPTION (ON NATIVA MODELS)

12.3" SCREEN WITH HEADS UP DISPLAY

HEATED, VENTILATED & MEMORY SEATS

MITSUBISHI TO THE CORE

As you'd expect the new Outlander is Mitsubishi through and through with a high quality interior and exterior finish.
