WELCOME

Inspiring & Spacious

Innovative space and compact luxury define the Auto-Trail F-Line motorhome range, blending convenience and comfort in every model. The F60 is perfect for couples or solo travellers, featuring a smart layout design with an optional electric drop-down bed, ergonomic kitchen, and spacious rear washroom - all within a length of only 5.99m. Built on the Ford Transit chassis, it's a breeze to drive and park.

The F62 maximizes space with its L-shaped rear kitchen and open lounge, while the F68 offers 180° panoramic views from its expansive U-shaped lounge. For families, the F70 features fixed rear twin beds and an optional electric drop-down bed, while the F72's dual lounges ensure space for both adults and children. The F74 delivers a spacious front living area and large island bed at the rear. This is further complemented by plenty of LED lighting as well as natural light throughout for a clean, modern feel inside this family motorhome.

Adventurous & Flexible

The F-Line range showcases practical features, such as the optional super-fast WiFi, making it clear that these motorhomes take travelling to the next level.
