## Magical & Unforgettable

Unwind in the ground-breaking Auto-Trail Excel motorhome range, where compact design meets luxury living. The Excel 620G, at 6.20m provides three berths with 4 seatbelts, featuring a fixed transverse rear bed above a spacious garage, along with a front dinette that converts into a single bed. Following in the footsteps of the 620G, the brand-new Excel 620S offers a more traditional layout with an end kitchen and sink, as well as a large front lounge which makes-up into either two single beds or one large double.

For those seeking more space, the 6.75m Excel 675B provides a large front dinette that transforms into a double bed and includes a generous rear washroom with generous storage. The 690T model, at 6.90m, offers raised twin rear beds that convert into a double, with the signature single bed up front. The 690L features a large rear U-shaped lounge, perfect for socialising, and versatile sleeping arrangements.

## Modern & Unforgettable

With modern amenities like a Triplex oven, Thetford refrigerator, and optional wind-out awnings, the Auto-Trail Excel range promises unforgettable journeys in style and comfort. The Excel range also features an optional elevating pop-top roof on its 620G, 675B, 690L and 690T for 2025, making a streamline 4 berth motorhome.
