Your Finance Options

We act as an FCA-regulated credit broker and not a lender. We could introduce you to a limited number of finance providers and their finance products which may have different interest rates and charges. We are not an independent financial advisor. We will provide details of products available from the finance providers we work with, which have been selected by ourselves to meet our own commercial interests and provide our customers with good outcomes. Our services do not offer all market options, and we are only able to offer finance products from the partners on our panel; there may be better options available for you in the open market as we are not impartial, and no advice or recommendation will be made. You must decide whether the finance product is right for you therefore we do recommend carrying out your own research.

We work with the following finance partners: **MOTONOVO, EVOLUTION FUNDING, DSG, FIRST RESPONSE AND OODLE** and have commercial terms in place with each partner on our panel. In the event you have acceptances with more than 1 partner on our panel, we will make you aware of this. We will always try to provide you with the best outcome we are able to from our panel; however, it is always your decision which finance acceptance to proceed with. **we may receive a commission; this is usually either a set amount or a percentage of the finance amount. The commission we receive can vary depending on the lender and the product, but it does not influence the interest rate or terms you are offered, all commissions are disclosed at the point of acceptance and sale.**

What Will You Have To Pay Us For Our Services

We do not charge a fee for our services, however we will receive a commission for introducing you to a finance provider with whom we work with, if you proceed with an acceptance. This commission is a fixed payment or fixed percentage of the amount you finance but can vary by finance provider. This does not impact the rate or acceptance you are provided. You will be provided with full information on the amount we will receive and how this has been calculated before completing your finance agreement and you can request further information at any time.

You can have confidence knowing that the finance packages we offer to our customers are always centred around fixed payments, ensuring our customers never come across hidden charges. We also offer the chance to settle any outstanding finance early, as we appreciate the more flexible our products are the easier our customers can begin future planning and budgeting.

We do offer the facility to use a third-party finance company; however, we do reserve the right to charge a £199 + Vat admin fee for the privilege.
